#### Wisconsin Leads the Nation: Shared Vision for Public Reporting

Wisconsin is a national leader in the emergence of private sector initiatives to provide relevant quality performance data in a consumer-driven health care environment. Leaders of the Wisconsin Collaborative for Healthcare Quality, Inc. and the Wisconsin Hospital Association's CheckPoint believe that improving health care quality, safety and efficiency is a common goal that transcends marketplace competition.

This site will link you to the Wisconsin Collaborative for Healthcare Quality, the CheckPoint and the PricePoint Web sites. Links to additional similar sites will be added over time.
